

DISSY

GENRE

HipHop, Rap, Alternative

SHORT DESCRIPTION

DISSY was born in east Berlin, raised in Erfurt and went back to Berlin in 2016. He represents the honest and thought trough art within predominantly plastic german hiphop scene. Studying media art at "Bauhaus University" Weimar he happens to be a music producer, rapper, singer, cutter and director now. DISSY is the classic case of "the favorite rapper of your favorite rapper" – as selfmade as it gets.
