

LUI HILL

GENRE

Alternative, Neo-Soul

SINGER & SONGWRITER

PAST COLLABS

N/A

SHORT DESCRIPTION

After the release of his debut album campaign in 2018, LUI HILL prepares to release his first EP. His sound combines many styles and influences. Listening always remains pleasantly eclectic with LUI HILL's music. One could say positively unpredictable even. Or simply, musically diverse. His richly textured, immaculately conceived electronic soul displays a rare accomplishment and mature depth.
